|-------------|--------|-----------------|------------------|------------------------|-------------------|
| good11      | 24     | ✓               | ✗                | ✓                      | ✓                 |
| players     | 24     | ✗               | ✗                | ✓                      | ✓                 |
| games       | 15     | ✗               | ✗                | ✓                      | ✓                 |
| mobile      | 14     | ✗               | ✗                | ✗                      | ✓                 |
| casino      | 13     | ✓               | ✗                | ✓                      | ✓                 |

## Benutzerfreundlichkeit

|                                                                                    |                    |                                                                        |
|------------------------------------------------------------------------------------|--------------------|------------------------------------------------------------------------|
|    | URL                | Domain : good11-online.com<br>Länge : 17                               |
|   | Favoriten Icon     | Gut. Die Webseite hat ein Favicon.                                     |
|  | Druckeigenschaften | Es konnten keine druckfreundlichen CSS-Angaben gefunden werden.        |
|  | Sprache            | Gut, denn Sie haben in den META-Elementen eine Sprache deklariert: en. |
|  | Dublin Core        | Diese Webseite nutzt nicht die Vorteile der Dublin Core Elemente.      |

## Dokument

|                                                                                    |                    |                                                                                       |
|------------------------------------------------------------------------------------|--------------------|---------------------------------------------------------------------------------------|
|  | Doctype            | HTML 5                                                                                |
|  | Verschlüsselung    | Perfekt, denn Ihre Webseite deklariert einen Zeichensatz: UTF-8.                      |
|  | W3C Validität      | Fehler : 33<br>Warnungen : 1                                                          |
|  | E-Mail Datenschutz | Sehr gut, denn es wurde keine E-Mail Adresse im Klartext auf Ihrer Webseite gefunden. |

|  | Veraltetes HTML                    | Sehr gut! Sie verwenden aktuelle HTML Tags in Ihrem Webseitenquelltext.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|  | Tipps zur Webseitengeschwindigkeit | <div><div> Sehr gut, denn Ihre Webseite benutzt keine verschachtelten Tabellen.</div><div> Schlecht, denn es wurden CSS-Angaben in HTML-Elementen entdeckt. Diese Angaben sollten in ein entsprechendes CSS-Stylesheet verlagert werden.</div><div> Nicht so gut, denn Ihre Webseite enthält sehr viele CSS-Dateien (mehr als 8).</div><div> Nicht so gut, denn Ihre Webseite enthält viele Javascript-Dateien (mehr als 12).</div><div> Gut! Ihre Website nutzt die Inhaltskomprimierung.</div></div> |
