## Optimering

|                                                                                   |             |                                                                                                                                                                                                                                                                                                                                                                                                                  |
|-----------------------------------------------------------------------------------|-------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|   | XML Sitemap | <p>Saknas</p> <p>Din webbplats saknar en XML sitemap - detta kan orsaka ett problem.</p> <p>Eftersom en sitemap listar webbadresser som är tillgängliga för genomsökning och kan innehålla ytterligare information såsom din webbplats senaste uppdatering, antal förändringar och betydelsen av webbadresserna. Detta gör det möjligt för sökmotorer att på ett mer intelligent sätt genomsöka webbplatsen.</p> |
|   | Robots.txt  | <p><a href="http://travelegyptdoc32.atwebpages.com/robots.txt">http://travelegyptdoc32.atwebpages.com/robots.txt</a></p> <p>Bra, din webbplats har en robots.txt fil.</p>                                                                                                                                                                                                                                        |
|  | Analytics   | <p>Saknas</p> <p>Vi hittade inte någon analysverktyg på din webbplats.</p> <p>Webbanalys program kan mäta besökare på din webbplats. Du bör ha minst ett analysverktyg installerat, men det kan också vara en bra ide att installera två för att dubbelkolla uppgifterna.</p>                                                                                                                                    |
